Operations & Maintenance - Central

- **Classification GVW2 \$47,707 - \$64,044**
- **Career development opportunities**
- **Work/life balance**

Goulburn Valley Water (GVW) provides quality water and wastewater services to 54 towns in North Central Victoria. Our core purpose is to deliver safe, reliable and affordable water services to residential, commercial and industrial customers.

Like working outdoors? Looking for a hands on and rewarding job? Read on!

This is a great opportunity for someone to start their career in the water industry or for an experienced operator to gain further skills and knowledge.

You will be safety focussed, motivated and be able to work according to operating procedures and established guidelines.

Based in Shepparton, this role will require you to be part of a team, responsible for ensuring GVW meets its service delivery objectives.

As a water industry operative you will have the ability to work autonomously as well as part of a small team, be flexible to meet the standby roster requirements and an enjoyment and understanding of technical maintenance.

Possession of, or willingness to obtain Cert 3 in Water Industry Operations is required.

For further information on this position, please contact Elise O'Keeffe - District Manager - Central Operations - 0438 346 852

Applications close 5pm, Friday 24 August 2018

Applicants must address each Key Selection Criteria in the position description to be considered for an interview
